Parent Right to Know

Dear Parent or Guardian:

Our district is required to inform you of information that you, according to the Every Child Succeeds Act of 2015 Public Law 114-95, have the right to know.

Upon your request, our district is required to provide for you in a timely manner, the following information:

Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

- Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waved.
- Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.
- Whether your child is provided services by paraprofessionals and, if so their qualifications.

In addition to the information that parents may request, a building receiving Title I funds must provide to each individual parent:

- Information of the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.
- Timely notice that your student has been assigned, or has been taught for 4 or more consecutive weeks by a teacher who has not met the grade level and subject area in which the teacher has been assigned.

"To nurture the joy of learning and prepare students to be a life-long learner who will make a difference in their lives and the world they live in."
