Health Occupations

The Certified Nurse Assistant course is for students interested in pursuing a career in health care. The course prepares students to provide basic patient care under the supervision of a licensed professional nurse. Students complete real-world learning through job shadowing. Students will develop entry level skills to provide comfort, care and preventative treatment to individuals requiring healthcare.

Entrance Requirements

GPA Recommendations: 2.5 or greater
No disciplinary referrals within 2 years
90% attendance
Recommendations from three teachers
