GROW!

CREATE YOUR OWN SUMMER ADVENTURE

THIS CAMP IS DESIGNED AROUND A NEW, DIGITAL LEARNING PLATFORM PERSONALIZED TO YOUR SCHOLAR'S INTERESTS!

Each scholar is surveyed and an assessment is created and, much like a digital "playlist," it is specific to the needs and passions of that particular scholar.

At the core are standards-based academic programs to help build strength in **STEAM** (Science, Technology, Engineering, Art, Mathematics) areas.

TARGETED SUPPORTS:

- **Social Emotional Learning**- helps provide each scholar with the skills needed to build relationships and make positive life choices.
- **College and Career Readiness**- it is never too early to start thinking about the "next steps," in the educational journey.
- **Unfinished Learning** (K-8) and **Credit Recovery** (High School) are for those scholars who have been unable to cover as much ground as needed to be fully-prepared for the next school year.

HEALTH & WELLNESS
ACTIVITIES

GENIUS HOURS AND PASSION PROJECTS:

Flexible times built into the program for mind-growing projects that allow scholars the flexibility to explore, to connect to the world outside the classroom and, most importantly -- to dream.

CAMP SLPS TRULY IS
WHAT YOU MAKE OF IT!
REGISTER NOW!

ALL ST. LOUIS CITY SCHOLARS, K-12TH GRADE ARE INVITED TO JOIN CAMP SLPS WITH ADDITIONAL SUPPORT FOR:
