

Meet Ms. Stewart

About Me:

Hello! My name is Riley Stewart, and I am entering my third year of teaching at McKinley CLA.

I was born and raised in St. Louis, and I am so glad to be back in my hometown working for my community. I graduated from Mizzou in 2020 with a degree in English Education, and have been at McKinley since.

Outside of school, I love to cook, to travel with friends and family, and (of course) to read.
