

ESOL Choice Board for Grades 6-8: Week of September 6th

Monday	Tuesday	Wednesday	Thursday	Friday
<p><a href="#">Click here</a> to read an article about the importance of the rain forest to our daily life.</p> <p>Can you create a main idea and details tree for this article? Your main idea will be the trunk and the details are the leaves- look at the example below if you need to!</p> 	<p>Watch a nature documentary on YouTube, or utilize any streaming service (Netflix, Hulu, etc.), that your family may have. Did you enjoy it? If so, tell someone about it!</p> <p>Stumped on what to watch? <a href="#">Click here</a> for a short film focusing on Redwood National Park.</p> <p>Bonus: discuss your film with someone in your home language.</p>	<p><a href="#">Click here</a> to watch a short video about Teddy Roosevelt, the "Conservationist" president, who signed laws creating many National Parks in the USA.</p> <p>After that, <a href="#">click here</a> to learn more about the National Parks in Missouri! Have you visited any?</p> 	<p>Practice persuasion by playing Quandary!</p> <p><a href="#">Click here.</a> (requires a free account)</p> 	<p>One of the easiest ways to help with forest conservation is to reduce, reuse, and recycle at home.</p> <p><a href="#">Click here</a> to look at an article that gives some easy tips on how to recycle at home. Pick one and come up with some persuasive reasons to recycle. Share those reasons with a friend.</p>
