Earth has everything we need to grow and flourish. Let's take care of our amazing planet because every day is Earth Day!

[Click here](#) to listen to "I AM EARTH" by Rebecca and James McDonald.

We can help by recycling, not littering, reusing, saving energy, and conserving water! These simple changes help to reducing pollution, preserving natural resources, and ensuring a sustainable future for our planet.

Celebrate Earth Day with the "Would You Rather?" game!

[Click here](#) to participate. Remember to use your voice to select your preferred activity during the game.

"I would rather ride a bike than take the school bus. I would prefer to live in a hot climate rather than a cold climate."
