

# ESOL Choice Board: Grades 9-12

### **Listening Activity**

<u>Click here</u> to watch a video that will help you learn to differentiate between observations and inferences.

# **Speaking Activity**

Valid sources are a key part of good argumentation. Click here to view the Purdue OWL's guide to evaluating digital sources. Do you have any favorite ways to evaluate the quality of digital sources? Share your methods with a knowledgeable friend, and see if they have any wisdom to impart!

#### **Reading Activity**

<u>Click here</u> to learn more about the science and data of historical pandemics.

## Writing Activity

<u>Click here</u> to test your homophone knowledge in a grammar game! Continue your running list from last week.
