

Pre-k Choice Board

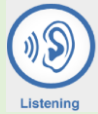

Listening

Blue and yellow form a friendships that changes the city. [Click here](#) to listen to **Mixed-A Colorful Story**

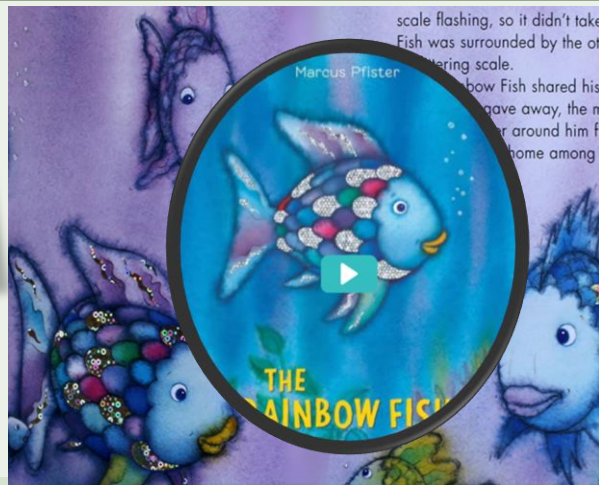

What did the other colors think about blue and yellow's friendship? (They did not like it, they said colors shouldn't mix) What happened at the end of the story? (all the colors mixed, and they rebuilt the city so everyone could live together.)

Listening

Come meet the most beautiful fish in the ocean. [Click here](#) to listen to **The Rainbow Fish**

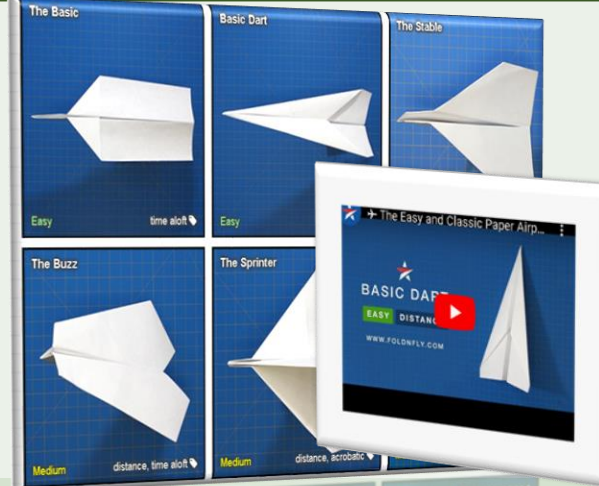

Why did the Rainbow Fish change his mind about sharing his glimmering scales? (He took the advice of the octopus, and wanted to be happy. The more scales he gave away, the more happier he was.)

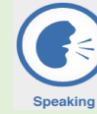

Speaking

[Click here](#) to learn how to make Paper Airplanes. Make two and compare the distance. Tell a family member the steps you took to make a paper airplane.

"I created three paper airplanes. The last paper airplane I made went the farthest. I watched the video to help me make the hard paper airplane."

Speaking

[Click here](#) to draw your favorite animal. Describe what you drew to a family member.

"I love my black cat. I used the green color for her eyes, and black for her fur. The collar is yellow and red."
