

Pre-k Choice Board

Listening

A tiny caterpillar eats and eats...and eats his way through the week. [Click here](#) to listen to The Very Hungry Caterpillar.

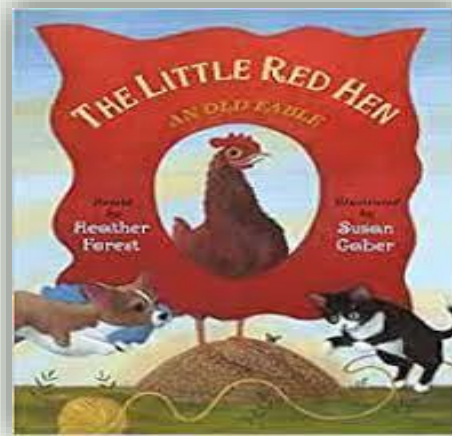

What happened to the caterpillar as he kept eating? (The caterpillar got bigger and bigger. On Saturday he had a stomachache because he ate so much) How does the caterpillar become a butterfly? (After he eats and eats, he builds a small house called a cocoon. He stays inside the house for more than two weeks. When the caterpillar is ready to come out of the cocoon, he comes out as a butterfly!)

Listening

[Click here](#) to read The Little Red Hen. This story is about teamwork, fairness, sharing, and helping each other!

Did the other animals eat the that the little red hen made? How do you know? (The other animals did not eat the first cake that was made. They did not help plant the wheat seeds, tend to the wheat, cut the wheat, or grind the wheat. Therefore, they did not get to eat the cake.)

Speaking

Ever wondered what it's like to be president? [Click here to visit the White House](#) and see where the president lives! Tell a family or friend what you saw on the virtual tour.

ONLINE EXHIBIT

Virtual Tour of the Art and Decor of The White House:...

ONLINE EXHIBIT

2021 Holidays at the White House: "Gifts from the..."

"I saw a full-length portrait of George Washington, the first president of the United States. I learned that the East Room is the largest room in the White House. I saw a lot of portraits, sculptures, and fancy furniture."

Speaking

[Click here](#) to learn about Washington DC. Why is Washington DC important?

"Washington DC is the capitol of the United States. Washington DC is where each president lives and works. It is home to the US government. The city was named after George Washington, the first president of the United States."
