## Listening

Brown Bear, Brown Bear, What Do You See? A big happy frog, a plump purple cat, a handsome blue horse, and a soft yellow duck- What else do you see? [Click here](#) to listen to the story. Can you name all the animals in the story?

What was your favorite animal in the story? What do you know about that animal? "My favorite animal was the purple cat. My favorite color is purple, and I have a pet cat. How many animals were in the story? What colors were they? How are they the same and how are they different?"

Speaking

## Speaking

[Click here](#) to watch a video about animals in spring! You will learn about hibernation, migration, and much more. Tell a friend or family member what you learned!

" I learned animals begin to wake up from their hibernation. Turtles, frogs, ladybugs, and bears are all animals that hibernate. Hibernation is when some animals sleep all winter long. Some animals wouldn't be able to find food in the winter."

Speaking

## Speaking

[Click here](#) to draw an animal that hibernates during the winter months. Pick someone to describe your drawing to! What colors did you use? What are some details you included in your drawing?

" I decided to draw a picture of a bear. I know that bears do not eat or drink during the winter months. I used a brown color to color in my bear. I also added claws, fur, eyes, nose, eyes, and mouth."
