[Click here](#) to go on a virtual field trip with Ms. Penny and the KidVision Pre-K kids! Visit the "Amazon Voyage" exhibit at the Patricia and Phillip Frost Museum of Science to learn about stingrays, anacondas and much more!

Amazon River Exhibit

Amazon River Exhibit

What did you learn about?

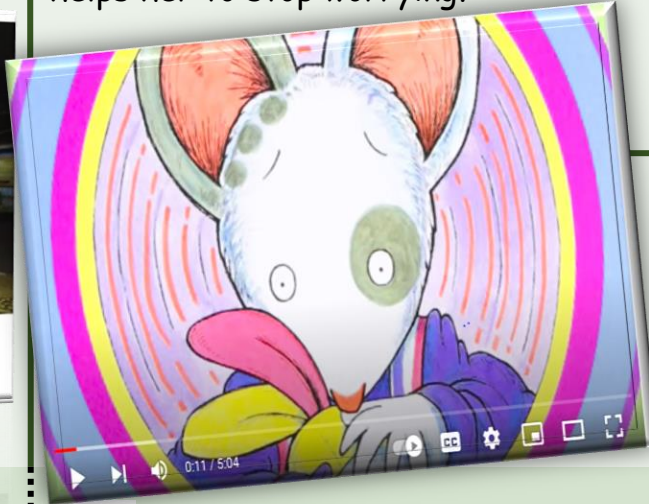

"I learned that the Amazon River is in the South American continent, specifically in Brazil. I learned about maps, and how stingrays and anacondas camouflage themselves!"

Listening

Listening

[Click here](#) to listen to Wemberly Worried by Kevin Henkes. Wemberly worried about everything. Big things. Little things. And things in between. Then it was time for school to start. And Wemberly worried even more. What does Wemberly realize that helps her to stop worrying?

What does Wemberly realize that helps her to stop worrying?

"Wemberly worried about one thing most of all: her first day of school. But when it's time to go back to school and she meets a fellow worrywart in her class, Wemberly realizes that school is too much fun to waste time worrying!"

Speaking

Speaking

[Click here](#) to play Animal Home Builder. Build a home for an animal and then tell a story about the animal you build a home for. Also, tell about the materials you used to build the home!

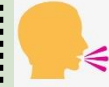

"I built a home for Daphne, a lost cat. I used green, yellow, red, and blue as the colors for Daphne's home. I added a scratching post by hammering the nails to the base. Daphne was so happy to be in her new home!"

[Click here](#) to create postcards around the world. Explore countries like Germany, Kenya, China, and many more. Tell an adult everything you learned! Which was your favorite country to learn about?

"I learned that the German flag has three stripes and it is black, red, and yellow. Did you know that pretzels are a German food! I also learned that Germany has an autobahn. An autobahn is like a highway without a speed limit!"
