Listening

[Click here](#) to visit the M&M's factory! What are the steps to make M&Ms? How many M&Ms are made daily? When was the plant first established? What was your favorite part?

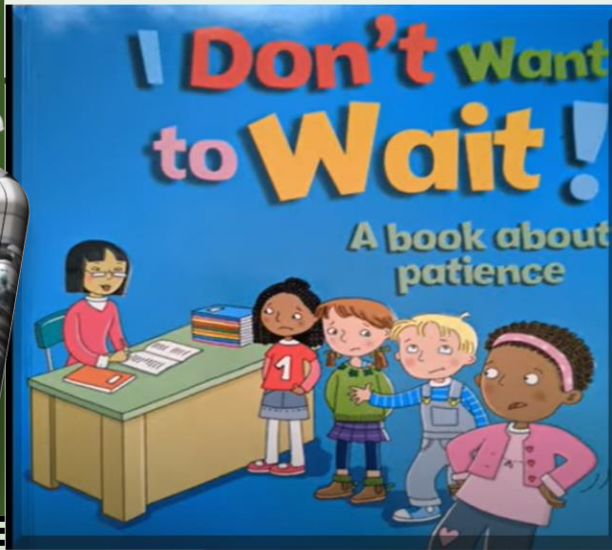

1 million M&Ms are made every day! M&Ms have been made in New Jersey since 1941! "My favorite part was watching M&Ms sprayed in different colors."

Listening

[Click here](#) to listen to I don't want to wait! A book about patience. Maisy hates waiting for anything! Can her big sister, Lola, teach her ways to be more patient? What does Lola say to Maisy?

Maisy is very impatient. She hates waiting for her turn to share. During creative time she doesn't wait for paint to dry and when she's playing with her friend she doesn't wait for her turn. Lola tells Maisy to take deep breaths to help her calm down and to think about other things. Maisy takes Lola's advice and learns to be patient.

Speaking

[Click here](#) to help Author complete his classroom jobs. As Mr. Ratburn says, "it's important to have more responsibility as you grow." Tell a family member how you helped Author complete his classroom jobs, and then tell about the classroom jobs you've had!

"I helped Author collect party invitations, sharpen pencils, and feed the class pet. In my own classroom, I am the door holder. I hold the door for all of my friends."

Speaking

[Click here](#) to play fashion designer! Create awesome outfits! Find a friend to show and tell about your design. What did you design? What colors did you use?

"Pinkalicious is the character I chose to design a dress for. I picked a pink color and added white polka dots to it. Next time, I'll create an outfit for one of the other characters."
