## Listening

[Click here](#) to swim along with the pout-pout fish as he discovers that being glum and spreading "dreary wearies" isn't really his destiny. Can his pals cheer him up? Will his pout ever end? What did you learn when reading the story?

Mr. Fish lives with a constant pout on his face always seems to be sad and frowning. Octopi, clams, and other various sea critters all tell him to smile a little and be happy, but the Pout-Pout fish claims that this is just the way he is. Then, all of a sudden, his frown is turned upside-down when he meets a shimmering silver fish and from thereafter Mr. Fish is no longer a pout-pout fish.
