Listening

[Click here](#) to listen to **Happy in Our Skin** by Fran Manushkin. Happy in Our Skin is a celebration of all the many different types of skin everyone has! What is your favorite part of the story?

What was your favorite part of the story? "My favorite part was learning about skin! Skin keeps our body safe. As we grow our skin grows. When we fall our skin heals. Some skin have freckles, birthmarks, and dimples."

Listening

[Click here](#) to go on a Sewing field trip with Miss Penny and the KidVision Kids. What did you learn? Tell a family member or friend!

What did you learn?? "I learned to sew something you like you need a sewing pattern, fabric, notions, and a sewing machine! I also learned that there are many different types of fabric. For example, cotton, denim, knitted fabric, lace, and chiffon. I learned that notions are all the tools used for sewing. For example scissors, measuring tape, thread, etc."

Speaking

[Click here](#) To watch Draw My Story and then draw your own story! All you need is a pencil and paper to get started. When you are finished tell a family member or friend about your drawing.

" My story starts when I first got my puppy, Lilly. I used a black marker and white paper to draw. It was fall and light outside when I first got Lilly. In my drawing, I created a tree with leaves falling off and the sun to show that it was day time. I drew Lilly with her paws up, staring and barking at me."

Speaking

[Click here](#) to listen to Show and Tell Foreign Languages. Are you able to roll your r's? Ask a family member or friend who speaks another language to translate some of your favorite words and phrases.
