Listening

Listening

[Click here](#) to go on a field trip with Miss Penny and the KidVision Kids. They go to Nova Southeastern University's Athletic Center to learn how to play basketball.

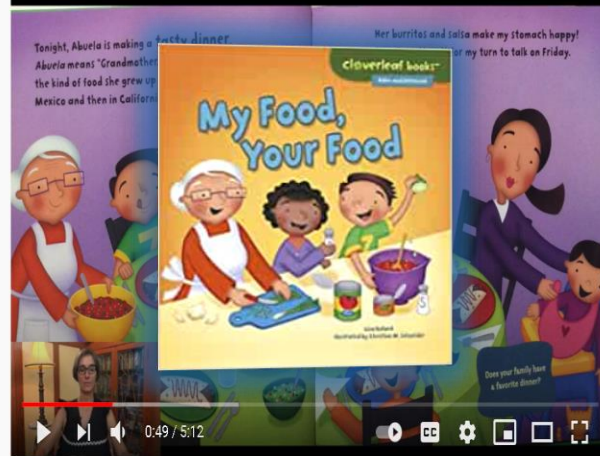

What did you learn? "First, I learned about the equipment basketball players need to play. Then, I learned about basic basketball skills. Next, I learned about how the court is laid out. Last, I learned about the rules of the game."

Listening

Listening

[Click here](#) to read *My Food, Your Food* by Lisa Bullard. Manuel's school is having food week where each child gets to tell about something special that their family likes to eat. Was there a special dish that was new to you? Where did that dish originate from.

Was there a special dish that was new to you? Where did that dish originate from? "A noodle dish, called Yi Mei is a dish that I have never heard of before. The teacher explains that her parents moved to the U.S from China and they use chopsticks to eat their noodles. Chopsticks are used instead of forks."
