

# Pre-k Choice Board

Listening

## Listening

[Click here](#) take a field trip with Miss Penny and the KidVision Kids. They explore the Museum of Discovery and Science's Science Park to learn about simple machines. Tell what you learned!

What did you learn? "I learned about pulleys, wheels & axels, levers and incline planes."

Listening

## Listening

[Click here](#) to listen to Jack and The Beanstalk. Why does Jack go to the market? What does Jack end up bringing home to his mother. How does the problem get solved?

Why does Jack go to the market? What does Jack end up bringing back home? How does the problem get solved?" [Jack went to the market to sell a cow. Instead of selling the cow, he traded the cow in for some magic beans. Jack was excited to show his mother the magic beans he got from the market. Jack's mother was upset and threw the beans out of the window. Later, Jack found a beanstalk and ends up with gold.](#)

Speaking

## Speaking

[Click here](#) to learn about money. What do people use money for? Draw something that you would like to buy that requires money and then tell a grown up in your life why you would like to buy it.

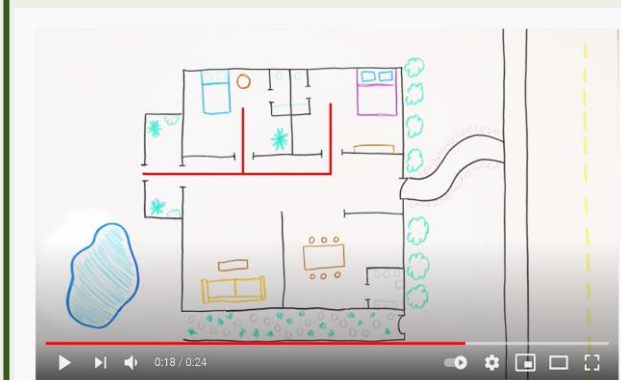

" People use money for a lot of things. Money is used to buy groceries, gas, pay bills. When I grow up, I am going to use money to buy a robot. I want a robot to help me clean my room!"
