

Pre-k Choice Board

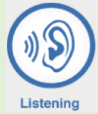

Listening

[Click here](#) to take a field trip to Sawgrass Nature Center and meet with Bee Lady Kim to learn about **honeybees** and how they make honey.

How do bees communicate with other bees to find delicious flowers? *They do a crazy dance called the bee dance. Bees shake their abdomen all around to communicate to all the other bees where to find delicious flowers.*

Listening

[Click here](#) to dance and sing along with Pinkalicious, her brother, and Robotta the robot. What are some dance moves that you learned?

What specific dance moves do the characters do and sing about? *(The characters danced like the robot and did the moves while singing them.)*
Blip Blop. Legs out. Legs in. Come on, robot time to spin. Arms up. Arms down. I want to move like a robot.

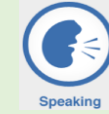

Speaking

[Click here](#) to read Cantando (Singing) De Colores-a bilingual book. That is both in Spanish and English. Tell a family member your favorite part!

"I thought it was very funny when the readers made the animal noises. I liked hearing the story in both English and Spanish."

Speaking

[Click here](#) to make a Hero Self Portrait. Look into a mirror and notice your features. Draw and tell a family member about your portrait!

"When I look in the mirror I see brown curly hair. The words that describe me are kind, caring, helpful, organized, a great friend and an loving big sister."
