[Click here](#) to draw with Drew and Rosie. In this episode, Drew and Rosie make art for Teachers! Let's draw for teachers! Tell a friend or family member about your drawing and then tell them why you decided to draw that particular picture.

I used yarn and crayons to create a picture frame for my teacher. In the picture frame I drew a picture of our class. I also made sure to write the name of each student. I think this drawing will make my teacher happy."

[Click here](#) to find out what happens when you put slime in SPACE. Tell a family member what happens to the ooey gooey slime without Earth's normal gravity to hold the slime down.

"Everything is weightless in space. The gravitational force has been removed and therefore the slime floats in the air. It looks like a bubble floating around. The astronauts compared water to slime. Slime can change its shape and water moved around more."
