Listening

Listening

[Click here](#) to go on a field trip with Miss Penny and the KidVision Kids visit a Kung Fu school to learn about the Chinese New Year.

 What did you learn? "I learned about the Chinese New Year calendar, learn some Kung Fu moves, I watched them put on lion dance costumes, and watched a celebratory lion dance performance."

Listening

Listening

[Click here](#) to listen to *Lilly's Purple Plastic Purse* written by Kevin Henkes. This story is about a little mouse who is in love with school. One day she decides to take some things to school with her which turn out to be a distraction for her classmates. What does Lily do to solve the problem?

 What does Lily do to solve the problem? "Lily has a tough day, but learns so much about cooperation, patience, and about learning from her mistakes. She apologizes to her teacher and is excited about going to school again."

Speaking

Speaking

[Click here](#) to watch how crayons are made. What did you notice? What are you wondering? What else is made at the factory besides crayons? What do you like to do with crayons?

 "I noticed in the factory crayons, markers, and paints are produced. I'm wondering how many crayon boxes the factory makes in a day. I like to draw pictures of my family and my cat with my crayons."
