

# Pre-k Choice Board

## Listening

Find out what happens when you mail a letter. [Click here](#) to take a field trip to the Post Office.

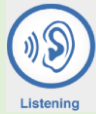

### Post Office Field Trip

Video Grades: PreK-3

Why is it important for the mail man to organize the mail in his mail truck?

(The mail is organized by route. The package or mail that has to be delivered first goes to the front of the cabin.)

## Listening

The characters in the story are preparing for the Indian festival of Colors. [Click here](#) to read more.

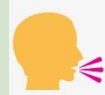

Why are the characters collecting flowers? (The characters are collecting flowers to make petal-powders. Why do the characters throw petal-powder? They are celebrating a festival called Holi. Holi is a festival of fresh start, friendship and forgiveness.

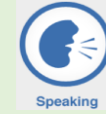

## Speaking

[Click here](#) to build a robot. Tell a family member a story about all of the things your robot can do!

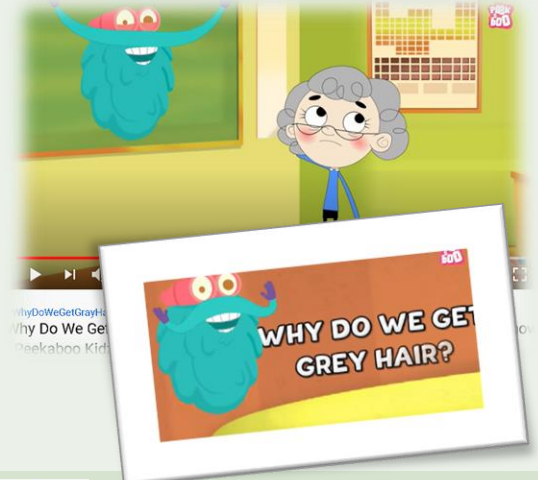

"My robot is a cleaning. It cleans my room and does my chores. My mom likes it when my robot picks up all my toys and puts it in its place."

## Speaking

[Click here](#) to learn about why people get grey hair. Tell a family member everything you learned.

"I learned as we get older our hair turns grey. Our head contains cells and they make up the color of our hair. When we get old those cells die and we get grey hair."
