

Shenandoah Elementary School

Greetings,

I bring you greetings from the desk of your 'Family and Community Specialist. As we approach the end of the school year, I would like to take this opportunity to thank you for allowing me to serve as your Family and Community Specialist. I know the last class day, May 26th is fast approaching. I would like to express my heartfelt THANKS for all your patience and the tireless sacrifices you continue to make on behalf of our students. Thank you for allowing Shenandoah Elementary School to educate your child(ren) this school year. We could not be a successful school without being your partnership. So, as we embrace the summer season, I asked that you would continue working with our district and school because together we can continue promoting excellence for all.

Once again, thank you Shenandoah families, and please know that....We Are Here For You... 'Let's Stay Connected!' Please continue to visit our district's website at www.slps.org or our school's website <https://www.slps.org/shenandoah> for updates and a list of helpful resources.

Respectfully,
Ms. C. Myers
Family and Community Specialist

Have a Happy-Safe

Summer Break!!
