# SHENANDOAH ELEMENTARY SCHOOL

## Shenny's Tiger Talk

VOLUME 3, ISSUE 7  
MAY 2022

Shenandoah families,

It is amazing to think that we are at the end of the school year. Thank you all for the support and enthusiasm you have shown these past 10 months. Another school year in a pandemic and we made it. Now, we hope to have that behind us and prepare for next year.

Thank you teachers and staff for what we accomplished this year. Those accomplishments would not happen without the endless energy, skills and devotion of the Shenandoah staff. Thanks and well done.

A final word to students: Thank you for all your hard work throughout the school year. I am so honored to be your principal. You keep me laughing and you are why we do what we do. Best wishes to our promoted fifth graders and sixth graders, whom I will miss greatly—please come back and visit.

To all: I hope your summer is safe and restful. Children need a variety of experiences and conversations from the adults in their lives to grow and flourish. Talk and read together. All these things will help your child be ready for the next year of school.

Go Tigers!

Principal
