

PARENT UNIVERSITY

Effective Collaborations Between Home, School, and Community

Presented by SLPS Student Support Services, Family and Community Engagement

This workshop will explore effective strategies for enhancing communication between home and school, ensuring that families feel connected and supported. We'll also discuss resources for families navigating transitions, whether due to moving, changing schools, or other life changes.

What You'll Gain:

- ▶ Tips for improving communication with teachers and staff
- ▶ Insights into the challenges students and families in transition face
- ▶ Resources to help support your child's educational journey

Interpreters will be available for ESOL families.

Parent University workshops aim to empower parents with practical skills, knowledge, and resources to actively participate in their children's education, and help create effective partnerships that support student and school improvement.
