School Parent and Family Engagement Policy

1. Strategies for Parent Involvement:

Ashland Elementary will:

- Hold an annual Title I meeting in September to inform parents of the Ashland's participation in Title I.
- Hold monthly PTO meeting every third Wednesday with adjustable times to support parent participation. Hold parent meeting once a month to discuss Ashland's school parent and family engagement policy.
- Title I funds will be used to meet the needs of parents and students to help promote parent participation.

2. Shared Responsibilities:

Ashland has developed a School-Parent-Compact which outlines the shared responsibilities of the school, parent and student. In this compact you will find all three components. Ashland staff will:

- Provide high quality curriculum and instruction in supportive and effective learning environment that enables participating children to meet the Show-Me Standards
- Retain highly qualified principals and teachers
- Hold annual parent-teacher conferences
- Discuss the compact as it relates to the child's achievement
- Be accessible to parents through scheduled consultation before, during or after school
- Provide parents opportunities to volunteer and participate in their child's class
- Hold workshops for parents on student achievement and Map
- Parents will receive five week updates

3. Parents will support their child's learning in the following way:

- Check that homework is completed
- Child/children are in school everyday
- Volunteer in my child's classroom/school
- Stay informed about my child's education by reading all material that comes home

4. Expanding Opportunities for involvement:

Ashland will expand opportunities for parental involvement by supporting a partnership with Community leaders to enhance student academic achievement.
