### About Me

Welcome to 7th Grade ELA! This is my first year teaching at AESM. I love teaching ELA because it gives students the reading, writing, and vocabulary skills they need for LIFE! I am a graduate from Saint Louis University with a degree in political science and economics. I also have a Master's degree in public policy from SLU. Currently, I am receiving my Master's in Teaching from WASHU.

### Fun Facts

- \* I have a dog & a cat.
- \* I love trying new coffee shops and restaurants in STL!
- \* I studied abroad in Spain for 4 months in 2021!
