Dear Title I Parent or Guardian:

Your child's academic success is directly related to your involvement in his or her education and communication with our staff. By working together, we can provide the best possible experience for your child. Your child currently receives or is eligible to receive Title I services. We would like to invite you to a meeting to discuss the Title I program in our school. At this meeting, we will also explain the requirements of Title I and provide a description of all services relation to school and parent activities, including:

- Distributing and discussing our parental involvement policy
- Discussing our curriculum, assessments, and the proficiency levels
- Services available to eligible students and parents
- Seeking suggestions for improving student academic achievement
- Discussing and explaining your rights to be involved in the Title I program

In our ongoing effort to improve, we will also conduct an annual evaluation to determine the effectiveness of our parental involvement component of our Title I program later in the school year. This annual evaluation determines:

- How this policy's implementation has contributed to our students' academic progress in achieving content and performance standard;
- The identification of our programs' strengths and areas for improvement;
- The removal of any barriers preventing parents from participating as partners in their child's education; and Title I program effectiveness.

We will hold our first Title I meeting on, **August 17th, 2021**, at **6:30pm** via Zoom. Please join me, you Family Community Coordinator in this worthwhile meeting. If you would like additional information, please contact me at 314-771-2772 or via e-mail at Sherri.Reed-Parker@slps.org.

Sincerely,

Mrs. Sherri Parker
