ATTENDANCE MATTERS

Regular daily attendance is the most important indicator of academic success. If your student is going to be absent for any reason, please contact our Attendance Administrator, Ms. Latasha Jones to let her know. The best way to reach her is by email at latasha.jones@slps.org. You can also call the attendance line and leave a message.

OFFICE HOURS

Our offices are very busy, but we are here weekdays from 7:00 AM until 3:00 PM.

CELL PHONES AT SCHOOL

Cell phone use is prohibited in classrooms. Please remind your students to keep their cell phones put away during class.
Parent-Teacher Conferences

Thank you to so many of you who came out for Parent-Teacher Conferences last week.

If you were unable to make it, please feel free to reach out to any of your student's teachers via email. Staff email addresses are listed on our school website. All staff email addresses are FIRST NAME.LAST NAME@SLPS.ORG

Parent Portal

Parent Portal - Our student information system, SIS K12, offers a parent portal feature. This exciting tool affords parents the opportunity to log into the system and view (secured) important information regarding their children enrolled in St. Louis Public Schools. This information includes: demographic data, grades, attendance, behavior, and contact info.

Laptops

Students should bring their fully charged laptops and chargers to school each day.
