

CLASSROOM EXPECTATIONS MR. HARSHMAN

STUDENTS WILL...

- Put your cell phone **away** (preferably in your locker, but if not, fully stored away). Your phone will also **never** be plugged into any socket in my wall.
- **Respect** me and your peers in order to receive respect in return.
- Have your **head up** and be **active** in learning.
- Raise **your hand** to speak and not talk out of turn.
- Turn in assignments on the **due date** without excuse (dire situations should be addressed to me personally as well as your AP, counselor and the school social worker).
- Use class time wisely; if I give you class time to complete a long-term assignment, use that class time to **work**.
- Not **leave items** in my class (especially text books). Anything left in my room will be placed in the “Lost and found” bin at the front of class.
- Move your seat if asked.
- Comply with any and all **requests** from your **teacher** (which includes subs and co-teachers).
- Remain in your **seat** unless the classroom activity requires movement.
- Bring your textbook to class **every day** (unless told otherwise)
- Come to class prepared (writing utensil, paper, etc.).
- Not eat or drink in the classroom. The only consumable permitted is **water**.
- Keep your language and comments school appropriate.
