## AMI/Virtual Day for Thursday, January 10, 2025

**St. Louis, MO** – Due to ongoing hazardous conditions on many streets and sidewalks, as well as a forecast of additional snow, **Saint Louis Public Schools will continue Alternative Methods of Instruction (AMI)/virtual learning into tomorrow, Friday, January 10, 2025.**

**In addition, due to these road conditions, several schools have not received their food delivery for meals, further impacting our ability to resume in-person learning safely.** The safety of our students, families, and staff continues to be our highest priority.

Students should participate in remote learning, following their established AMI schedules.

All extracurricular activities, including athletic practices and after-school programs, remain canceled for Friday.
