AMI/Virtual Day for Wednesday, January 8, 2025

St. Louis, MO – As we continue to experience severe weather conditions in our region, Saint Louis Public Schools will **extend Alternative Methods of Instruction (AMI)/virtual learning** into **tomorrow, Wednesday, January 8, 2025**.

This will mark our second consecutive AMI day. Students should continue to engage in learning remotely, following their established virtual schedules.

Administrators, secretaries, custodians, safety and security, and 801 staff are expected to report to work on Wednesday, January 8, 2025. However, we understand that road conditions in some areas may still pose challenges. We ask that staff prioritize safety, travel cautiously, and move at the speed of safety. Staff should notify their supervisor should they encounter challenges getting to work safely.
