AMI/Virtual Day for Thursday, January 9, 2025

St. Louis, MO – Due to the continued treacherous and unsafe conditions on many streets and sidewalks in our region, Saint Louis Public Schools will **extend Alternative Methods of Instruction (AMI)/virtual learning into tomorrow, Thursday, January 9, 2025.**

The safety of our students, families, and staff remains our highest priority. While progress is being made to clear roadways, many areas still pose significant challenges for safe travel.

Extracurricular activities, including athletic practices and after-school programs, remain canceled for tomorrow.

We will continue to monitor the conditions and provide updates regarding any further changes.
