Dear McKinley Parent(s) and/or Guardian(s),

I hope this letter finds you enjoying the remainder of your summer break. It is hard to believe that the start of school is less than a week away. I want to update you with the procedures we have in place for students to pick up supplies, technology and other equipment. Due to the large number of technological devices that have not yet been returned to the district, we are using the first wave of distribution for those students who do not have any form of technology to begin virtual learning. The district placed an order previously but due to the demand and shipping delays we are still programming the devices. As each distribution occurs from central office we will schedule dates for students. We want to be as flexible and make sure students have the resources necessary to navigate virtual learning. ****Parents are required to be with students to receive technology due to the signing of the technology contract. Please make sure that you and your student are wearing a mask. Parents will also sign up and verify contact information. Everyone will enter through door #12 on the Missouri side and exit at the gymnasium doors. *****

Technology Distribution/Locker Clean Out/Housekeeping

Wednesday, August 26th

If your student does not have any form of technology to begin virtual learning, we will give them preference in the first wave of distributions. Once we receive the additional technology we will contact you for pick up.

If you are unable to come at the time allotted, please call the office to schedule a time that may accommodate your work schedule. We are able to arrive as early as 7:00 a.m. and as late as 5:30 p.m. If you have multiple students, we will allow you one pick up time for all of your students. This is schedule was developed to honor social distancing.

Sincerely,

Nakia V. King Ed.S
