Dear Seniors and parents/guardians,

I hope this communication finds you well. I know this has not been the ideal year to celebrate your accomplishment of successfully completing high school but you have demonstrated perseverance. I wanted to make sure to keep you informed of updates as I receive them.

The Senior Cap and Gown form is [HERE](#).

- Senior students should have submitted their height and weight so that we may order caps and gowns. The district will cover the cost of caps and gowns, diplomas and diploma covers. No funds are required from families in regards to these items.
- Graduation is tentatively scheduled for May 26, 2021 at 6:00 p.m. at Busch Stadium. Currently students will be able to invite 4 guests per social distancing guidelines. ALL guest will need to submit a waiver prior to graduation.
- We are also trying to plan a virtual activity and/or activity for our seniors. We will keep you updated.

Best,
