PRINCIPAL'S CORNER

Hello Nottingham Family,

This month our character focus is Grateful! What are you grateful for? I'm grateful for our caring students and staff, our undefeated volleyball team, all the job training skills our students are learning, and our parents' knack to be responsive of students' needs. Discuss with your student why they should be grateful too.

Our attendance is at 77.6% This means there are quite a few students not coming to school and learning those job training and independent living skills they'll need after they leave high school. These years go by quickly and you don't want your student to graduate and not reach their full potential. Students who are at school daily have built a work ethic and will be successful motivated citizens in the community. Encourage your student to come to school with purpose and to push themselves even when they don't want to. This is their last stop before the real world and we want to see all students living with positive intent once they leave Nottingham.

We have quite a few activities coming up this month. Please be sure you are checking students bookbags for information about events.

Happy Thanksgiving and Be Grateful for Family
Principal Long

No School Monday, Veterans Day - November 11, 2019 & No School Wed-Fri, Thanksgiving Holiday November 27-29, 2019

We are excited to announce Tran Thach and Stephen Walker on receiving the Rotary Club award. They received several gifts from Webster University. The award is for an outstanding senior with excellent attendance, academic achievement and community service. The award luncheon was held at the Missouri Athletic Club. Again Congratulations Tran and Stephen!!

Also, please support another one of our Fundraiser with Pamper Chef, see Ms. Luley for details Questions, feel free to call me at 314-481-4095

CHARACTER EDUCATION NEWS

Our word of the month is Grateful. Let's show our gratitude for Coach Werner and Coach Guinn who work tirelessly to set up games with neighboring high schools so that our students can experience the excitement of high school sports. Ms. Parson and Ms. Fowler will be helping students to write "Thank You" letters to our Veterans at the VA hospital to honor Veterans. Finally on November 8th we will honor staff members who are Veterans during our morning meeting.

Congratulations
Student of the Month
Layan Alakhras
Staff of the Month
