Dear McKinley Parent(s) and/or Guardian(s),

We are beginning fourth quarter of the academic year. We have supported one another for an entire year during a pandemic. I think everyone deserves a much needed round of applause for your efforts and contributions!

The fourth quarter survey for the return to in person learning has required us to make changes to our current schedule. This schedule change is necessary to accommodate all students who have requested in person learning and to make certain we are adhering to all CDC recommendations. Due to the capacity limitations of classrooms we have been forced to change the schedule to two days per week. Group 1 students will attend on Mondays and Tuesdays and Group 2 students will attend on Wednesdays and Thursdays. If your student has been attending in person for third quarter they are in Group 1 (Mondays and Tuesdays). If your student will be attending in person for the first time, they are in Group 2 (Wednesdays and Thursdays). The only exceptions have been previously discussed and confirmed. Also we will have an overflow room for those classrooms that are still over capacity with the two groups. There will be adult supervision in the room but it may not be the teacher. Fridays will be regular A/B days for instruction. All students will be virtual and are expected to login via TEAMS.

If you need your student's bus information and confirmation of their group number please contact the office at (314) 773-0027 or Relana.King@slps.org and Ashlee.Ross@slps.org. Per the superintendent's bulletin we will begin the new schedule on Monday, March 15th.

MAP/EOC/AP Testing Window April 1st – May 18th

We will begin contacting parents/students about MAP/EOC testing. The schedule will be posted on the website and we ask that students report at their designated times. MAP/EOC testing has to be done in person per the Missouri Department of Elementary and Secondary Education.
