RE: AFTER SCHOOL TUTORING

Dear Parent or Guardian:

Yeatman-Liddell Middle School is beginning our after-school tutoring initiative as an additional intervention to help students inside the classroom and on the upcoming assessments.

Students will be tutored in Math, reading, and any additional academic support they require. With your permission, your student can attend tutoring sessions, during the week, on Tuesdays, Wednesdays, and Fridays from 3:30-5:00. Tutoring sessions will begin January 30, 2024, and end April 19, 2024.

After-school transportation will be provided on those days only; however, if you prefer to pick your student up, they **must be picked up by 5pm** or they will not be allowed to attend further sessions. If you would like your student to participate, please sign and return the attached permission form.

Best regards,

Mr. Christopher Crumble, Principal
Yeatman-Liddell Middle School
