

Meramec Elementary

Roving Chef 2015

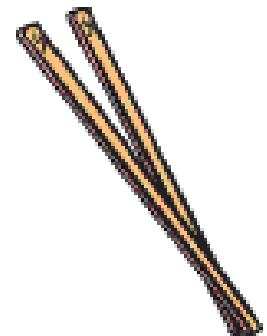

On March 11, 2015 the halls of Meramec elementary were filled with the appetizing fumes of fresh vegetables and spices. Seven students were rewarded for their improved attendance to participate in SLPS Roving Chef program, or should we say they where chefs for the day. The students had a hands on experience cooking a fresh stir fry that included chicken and tofu with Teriyaki Sauce.
