2. You will be taken to our library search page, which looks like this:

The screenshot shows the Follett Destiny library search interface. A callout box at the top center says "Put cursor in find box, then select enter. (after you select ebooks in drop down menu)". A blue arrow points from a callout box on the left, "Is this the correct school showing?", to the "Location" dropdown menu which is set to "Woodward". Another callout box on the right says "Select Electronic Book (Ebook) from the drop down menu." and points to the "Material Type" dropdown menu, which is currently set to "Any Type". The search filters include Keyword, Title, Author, Subject, and Series. The "Narrow your search to..." section includes Location, Material Type, Award Winner, Reading Level, Interest Level, and Reading Programs.

3. Make sure that next to the Location, it has the correct school. Then, in the "Material Type" area, use the drop down menu to select " Electronic book (Ebook)".

This screenshot shows the same Follett Destiny library search page, but with the "Material Type" dropdown menu expanded. A large black arrow points to the "Electronic Book (eBook)" option, which has been selected. The "Location" dropdown menu remains set to "Woodward". The "Narrow your search to..." section now shows "Material Type" as "Electronic Book (eBook)". A note above the filters says "Limiters have been set...".

4. Put cursor in the "Find" Box, then click "Enter".

5. You should see a screen similar to this one:

The screenshot shows a library search results page for 'Woodward'. The page is titled 'Limited to "Electronic books". Searched in: Woodward.' and displays a list of 24 titles. The first four titles are visible:

- 100 days of school**: Call #: FIC HAR, Harris, Trudy. Published 1999. Reading Level: 2.3, Interest Level: K-3. Status: Unlimited copies.

Arrows point to the 'Open' button for '100 days of school', the 'Unlimited copies' status for the first three items, and the 'In' status for 'The case of the crooked carnival' and 'Cats like to hide'.

Where you see "Unlimited copies", many students can read the book at the same time. Otherwise, only one person can read a book at a time.

Where it says "Open" you can open the book and read it online. You have to log in first.

Where it says "In", it means that the eBook is currently checked in. Students and staff can check them out just like regular library books. If it says "Out", then the book is unavailable for checkout until it is returned.
