# **Dewey International Studies Elementary School**

## **Vision Statement**

Dewey International Studies Elementary School students will become lifelong learners who positively contribute to a diverse and changing global community.

## **Mission Statement**

Dewey International Studies Elementary School maximizes student potential through high academic expectations while developing a deeper understanding of diverse cultures and building interactions with our world.

Dr. Kelvin Adams  
Superintendent of Schools

## **Dewey International Studies Background**

Dewey International Studies is an elementary magnet school located at the southwestern edge of St. Louis. The school is within walking distance of Forest Park, the Art Museum, the St. Louis Zoo and the St. Louis Science Center. These attractions are visited on field trips.

Test scores on the Missouri Assessment Program (MAP) at Dewey exceeded the average for the Saint Louis Public Schools in general.

The magnet focus at Dewey is international studies. Every student studies a world language. Those languages are Japanese, Chinese and Spanish. The international profile of the school is enhanced by the enrollment of many children from different countries.

The international studies theme is reflected in classroom instruction whereby each teacher selects a country to incorporate into the curriculum. The adopted country influences geography, social studies, literature, and mathematical word problems. There is an emphasis on having students present their learning in forums. Students share what they have learned with other students at their grade levels as well as with parents. Oral reports, dramas, poetry, research projects and songs are some of the experiences students share with their peers.

Students enrolled in the gifted program engage in research, analytical thinking, and classical literature of other countries.

# ATTENDANCE

Regular attendance is an important factor in student success. Learning occurs in a definite sequence which, when interrupted, places additional responsibilities on the child. Irregular attendance is one of the main contributing causes of unsatisfactory/failing grades.

In-Person: The school day begins at **9:20 a.m.** Dismissal is at **4:17 p.m.**

## **STUDENT ABSENCE AND TARDINESS**

- ❖ If a child arrives late for school, a Parent must accompany the student to door 1 to sign in.
- ❖ If a child arrives after 9:20 a.m. but before 9:30 a.m., the child is marked tardy.
- ❖ If a child arrives after 9:30 a.m., he/she is marked absent for the corresponding number of minutes missed. Early dismissals also count against your student's attendance. The number of minutes/hours marked absent depends upon the time the child leaves school.

**NOTE: A student will only receive recognition for "Perfect Attendance" (for quarter, semester, and school year) as long as the total number of minutes absent is less than one (1) full school day or 6.45 hours**

*If you know in advance that, your child will need to be absent, please notify the school secretary either by note or by phone call. If you have not notified the school that your child will be absent, someone from school will call you to check on his/her well-being.*

*Students with excessive absences or tardiness will be referred to the school social worker and will be subject to outside interventions.*

## ARRIVAL

- ❖ **Student supervision begins at 8:50 a.m.**
- ❖ Students are to report to the cafeteria for breakfast.
- ❖ Breakfast is served from **8:50 a.m. – 9:10 a.m.**
- ❖ **Classes begin at 9:20 a.m.**

## DISMISSAL

**Please write your child's name, bus number and phone number on a card and place it in your child's backpack to assist in dismissal.**

- ❖ Pick up dismissal will begin at 4:00.
- ❖ Students who have siblings and students in 1<sup>st</sup> and 5<sup>th</sup> grade will be picked up at door 7, (Cafeteria)
- ❖ All other students will be picked up at door 3. (Pre-K Wing)
- ❖ Only identified individuals, over the age of 18, will be allowed to pick-up students at Dewey. A valid ID is required.
- ❖ We will be utilizing the app. PikMyKid. You will be able to announce your arrival from the app.
- ❖ Parents picking up on the cafeteria side will stay in the car and announce utilizing the app. A staff member will bring your children to the vehicle. It is very important that cars stay on the right side of the street so buses can pass, and students are not crossing the street.
- ❖ Parents picking up on the Pre-K side will park and announce utilizing the app. Parents will walk to door 3 and the students will be escorting you.

## PikMyKid

We will be utilizing a dismissal app. called PikMyKid. Pikmykid is a comprehensive solution for managing the entire student dismissal process in a smart, secure, and expeditious manner. PikMyKid provides real time updates and change management options to parents. Please download the app. from your App Store. We will be using this app. as our main dismissal communication, and we will make dismissal changes through the app. instead of calling the school or a teacher. **We will not accept dismissal changes after 3:30pm.**

PikMyKid brings you the power to manage your kid's pick-up schedule and talk to your school directly from your app. Listed below are the functionalities:

- Automatically sequence your car in the car arrival queue
- “Announce” all the kids you are picking up.
- Schedule the dismissal for each school day in a calendar
- Schedule and manage car pools
- Get real time status updates on your kid's dismissal.
- Delegate pick up duties to friends and family with time bound authentications
- Real time alerts when students board the school bus/departs for after-school program
- Real time alerts when the bus is running late
- Secure mobile authentication protocol for kids' safety and security
- Last minute change to pick-up mode or early dismissal is easy to manage (changes cannot be made after 3:30pm) At 3:30 all pick up and bus rider information is final and sent to teachers.

Each student can have two guardians on their account. However, anyone from the approved pick up list may pick up, which you can change in the app! We will not accept changes after 3:30pm. Our staff needs an appropriate amount of time to get their students to the correct location. Thank you for understanding.

You do not need a QR code to set up your account. Once you have logged into the app, you can find training videos to help familiarize yourself with the app's functions. We appreciate your participation in making our dismissal process easier and safer.

### **PikMyKid Directions**

1. Download the PikMyKid App from your App store. It's Free!
2. Click Register a New Account. Please use your name, not your child's name.
3. You will then receive an email to VERIFY your account. Make sure you do this.
4. Once you have verified your account. You will have to enter your phone number.
5. Then, you will receive a text message with a CODE. Please enter this code to verify your phone number.
6. Next, make a password for the account.
7. Make sure you click the box saying you accept Terms and Conditions.
8. Register your account.

If your phone number is correct in Dewey's system, you will get an immediate confirmation. If you do not receive confirmation, you most likely will need to update your phone number in the school's database. Please contact Maureen Narrow (Maureen.Narrow@slps.org or Chiquita Keeble (Chiquita.Keeble@slps.org) (314-645-4845).

## **EARLY DISMISSAL OF STUDENTS**

Parents are asked to show they value our instructional time as much as we do, by limiting appointments to before and after school. If it is necessary for a student to leave school early, perhaps to keep a doctor's appointment or in an emergency, it is necessary for the child's safety that the parent or guardian calls the office in advance. When arriving at the school, please enter the office and check-in the office. The parents will be required to show identification and sign out the student.

- ❖ **Children may not be picked up from the classroom.**
- ❖ **All special dismissal instructions must be received prior to 3:45 in order to ensure student notification before dismissal.**
- ❖ **Please be sure the office has a list on file of adults (18 years or older) who are designated to pick up your child. Adults who pick up students will be asked to show identification for verification.**
- ❖ **Teachers have been instructed not to release students unless notified by the office.**

**Early dismissals negatively impact student attendance.**

## **CHANGE OF ADDRESS & TELEPHONE NUMBER**

For the safety and welfare of our students, it is imperative that the school has an accurate address and telephone number(s) for each student. Parents are required to inform the school of any address, home/work telephone number, or cell number changes during the school year. Should your address change, you will be required to provide a current proof of residency (lease, gas, electric, or water bill). Please designate an additional emergency contact person to be called in the event the school is unable to contact the parent or guardian.

## **DRIVING STUDENTS TO SCHOOL**

When driving your child to school or picking your child up after school, please follow these guidelines:

1. Please remember that the bus loading/unloading zones are prohibited. We reserve the back parking lot for student transition and vehicles **will not** be allowed to enter this area during dismissal or arrival. **Parents should drop off children at the handicap entrance, door 7.** (Cafeteria Area)
2. Double parking can be very dangerous because passing vehicles may not be able to see children. You can endanger your child as well as others by double parking.
3. Look carefully before pulling away from the curb at the school.
4. Students may be dropped off between 8:50 – 9:10 by door 7. (This is the door on Central by the handicap ramp) Students will proceed to the cafeteria for breakfast. **For the safety of all students, vehicles are not permitted to pull into the schoolyard during dismissal or student arrival.**

Please adhere to the parking restrictions that have been posted by the City of St. Louis. **Parking too close to the entrance of the school yard may result in buses not being able to safely turn into or out of the yard. In addition, please respect our neighboring community by not blocking driveways.**

## **VISITORS**

Parents/Guardians are welcome to visit Dewey.

- ❖ **All visitors (including parents/guardians) are required to call and make an appointment prior to arriving at the school.**
- ❖ All visitors will ring the office from door 1. A team member will buzz the visitor into the building and the visitor must check in the office.
- ❖ All visits are at the discretion of the principal or his designee.

## **VOLUNTEERS**

If you are interested in tutoring virtually, please contact Ms. Joyce Spann, family community specialist, at 314-645-4845.

## **SCHOOL SUPPLIES**

In general, the school district furnishes all textbooks and most supplies/materials that the students need and use. However, some teachers may ask that students bring certain supplies for activities that they do in their rooms. Information will be communicated as necessary.

## **CURRICULUM**

The subjects taught at the elementary level in the St. Louis Public Schools are as follows:

Communication Arts (Reading, Writing, Speaking)	
Mathematics	Physical Education
Social Studies	Science
Art	Music

**These subjects are taught in a prescribed sequence and in alignment with our state Grade Level Expectations.**

Additionally, Dewey Elementary offers four world languages. Dewey will offer Chinese, Japanese, French and Spanish. Students in Pre-k – 2<sup>nd</sup> grade will experience all of the languages and 3<sup>rd</sup> – 5<sup>th</sup> grade students will engage in 1 language of focus.

## **HOMEWORK**

The St. Louis Public Schools consider homework to be a valuable part of the educational process. Homework is carefully designed to extend the school learning environment into the home. Per district policy, the time to be spent on homework should be 20 to 30 minutes per evening for students in grades one through five. All homework tasks reinforce skills that have been taught.

Homework assignments/activities should be modified to meet the needs of your child. There may be cases when your son/daughter has more or less than other students. Please let us know if you believe your child is struggling or needs to be challenged more for homework. Most classroom teachers at Dewey utilize homework packets, which allow homework to be completed throughout a longer period. Please ask your child's classroom teacher for specifics.

## **TEXTBOOKS**

Students are permitted to take some textbooks home. They will be sent home at the discretion of the teacher. Teachers are held responsible and accountable for all books that are issued for their classroom use. Therefore, students/parents are responsible for lost or damaged textbooks. Many of our textbooks are available for use online. Please inquire with your teacher for more information.

## **LIBRARY**

Library services are offered to all students. Students are allowed to borrow one book for a three-week period. Students begin to develop an appreciation of literature and develop listening and discussion skills. The library serves each grade level in separate intervals and reinforces the reading program. It provides reference materials

such as encyclopedias, periodicals, biographies, and dictionaries. Literature is also available in various countries, with some books in foreign languages. Our library aid will service students in the library and classroom.

## **SPECIAL EDUCATION SERVICES**

For students who have been diagnosed as having special education needs requiring individualized instruction, classes are available at Dewey School. Children are referred, screened, and tested before entering any special education program. The Office of Special Education makes placements. If you

feel your child is in need of special services, speak to the principal or the counselor about beginning the referral process.

## **SPEECH THERAPY**

A speech therapist will be in the building weekly. The therapist is responsible for the speech and language program duties of screening, evaluation, diagnosis, I.E.P. development, scheduling, and remediation of speech and/or language conditions.

## **GUIDANCE/COUNSELING**

The Guidance and Counseling Program is directed toward fulfilling the educational, vocational, psychological, physical, and social needs of all students. Objectives of the program are to make sure students are assisted in developing:

- 1) critical thinking skills
- 2) a positive self-concept
- 3) acceptable school behaviors
- 4) awareness of career opportunities
- 5) participation in an educationally sound instructional program
- 6) awareness of the destructive characteristics of substance abuse
- 7) acquisition of universal testing skills

## **SOCIAL WORK SERVICES**

School social workers focus their efforts on helping school personnel to identify students with special needs and work to resolve social, emotional, and family difficulties, which interfere with students' attendance, achievement, and promotions.

Social work services help to reduce nonattendance problems, increase student achievement, and provide opportunities for students to develop positive self-esteem. Social workers help parents develop a better understanding about specific needs of their children and ways that they can provide support for their children's education.

# HEALTH & WELLNESS

## *IMMUNIZATIONS*

The State Department of Health requires all schoolchildren to be properly immunized prior to beginning school.

**Students not immunized will not be allowed to enter the school until the immunization requirement is fulfilled.**

## *COMMUNICABLE DISEASE*

- ❖ Parents are expected to have their children immunized against all communicable diseases.
- ❖ If your child contracts a communicable disease and must stay home for a long period, please arrange with the child's teacher for makeup work or virtual learning.
- ❖ We prefer that children make a complete recovery so they can resume normal activities when they return to school. Upon return, the child must see the school nurse to verify return to class.

## *MEDICATION*

The school nurse or the principal can administer prescribed medication under the following conditions:

- ❖ A signed note from both physician and the child's parent must state the name of the prescription medication and dosage information.
- ❖ Reason for the medication  
All medications must be in its labeled container from the pharmacy.
- ❖ STUDENTS ARE NOT ALLOWED TO HAVE MEDICATION OF ANY KIND IN HIS/HER POSSESSION FOR SELF-ADMINISTRATION (this includes inhalers).
  - The danger of over medication or of other children accidentally taking medication by error necessitates strict enforcement of this policy.
  - Over the counter medications may only be given by the nurse if the parent or guardian signs and returns the appropriate form. This will only be done at the discretion of the nurse.

## ***SICK CHILDREN***

**All students' temperatures will be taken upon entering the school building. Students that show signs of sickness will be placed in an isolation room in the main office. Parents will be immediately notified and will be expected to pick up their child. If parents cannot be reached, we will call the emergency numbers provided or 9-1-1 if warranted.**

## ***FOOD ALLERGIES***

There are several students and school staff with serious food allergies. Food allergies can be potentially fatal, and there is no cure. Any outside food brought into the school not only puts those with food allergies at risk, but also puts the school staff responsible for the safety of our students, at risk of liability. Traditionally, we have allowed the celebration of birthdays and other special occasions with special treats. Since the safety of our students and staff must be our primary concern, parents and school staff are encouraged to celebrate with non-food items such as stickers, pencils, themed erasers, or other appropriate items other than food. If food items are brought to school, all items must have nutrition facts and individually wrapped.

Peanut allergies are most common. Peanuts and peanut products can be fatal when ingested or from just touching a surface that has peanut product residue. Please avoid sending all peanut products with your child if at all possible. If your child's lunch includes peanut products, please send a note to your child's teacher. This will allow the teacher to take appropriate precautions.

## ***EXCUSE FROM PHYSICAL EDUCATION***

Students may be excused from physical education classes only with a doctor's statement giving the reason and specifying the dates during which the child is to be excused. This doctor's statement should be sent to the nurse for approval.

## **EMERGENCY PROCEDURES**

### ***EMERGENCY DRILLS***

During the school year, students will rehearse intruder, fire, tornado, and earthquake procedures so that in the event of an emergency they will be prepared to proceed to a designated area of safety. For your safety and the safety of others, treat these drills in a very serious manner.

### ***EMERGENCY SCHOOL CLOSING***

Emergency closing of any St. Louis Public Schools for any reason will be announced over most radio and television stations. In case of severe weather, the stations will begin broadcasting the announcements of schools closings at 5:30 a.m. Should there be a need for an early end to the school day because of an emergency or bad weather situation, the radio and TV stations will broadcast early afternoon dismissal information.

To check for updates on district closings, call the SLPS weather line at (314) 345-2466 or visit [www.slps.org](http://www.slps.org)

Please discuss with your children what they are to do in case of an emergency closing of school.

# LOST AND FOUND

Students who lose items of clothing are encouraged to check the Lost and Found (located just outside of the cafeteria area, under the stairs). Jewelry, eyeglasses, keys, money, etc., may be claimed in the office. **If unclaimed by the end of each semester, items will be donated to charity!**

Marking your child's possessions with his/her name and room number is helpful, both to the teachers and to your child. It will help to identify personal items.

## STUDENT CONDUCT

Dewey School provides each student with an opportunity to obtain an education. It is expected that students will respect the rights of others and conduct themselves in a way that exhibits good behavior, attitudes, manners, consideration for others and obedience they have been taught at home.

No student will be permitted to disrupt the learning environment.

**Fighting will result in suspension.**

School rules apply on the school premises, going to and from school, and at any event where our school is represented, regardless of location.

**The SLPS 2022 - 23 Student Code of Conduct Handbook** will be sent home early in the school year. Please review the handbook with your student and return the signature page to the school office.

# **STUDENT MISCONDUCT**

Administrators will use their professional judgment to determine which disciplinary action will be most effective when dealing with student misconduct. Please refer to the district's code of conduct book for more detail.

## **Discipline Amendment**

We are committed to providing a positive environment for every student to learn. In addition, teachers and staff will attempt classroom interventions to promote positive behaviors. Ideally, we want every student in the classroom every day. However, we will not accept ongoing disruptions to learning environments that diminish the quality of education for all students. To maximize student participation, we will be implementing two additional consequences that are outlined in the District Code of Conduct Book. These consequences will be utilized following the exhaustion of classroom interventions for tier 3 behaviors and progressive discipline for Tier 2 behaviors, according to the District Code of Conduct.

## **Detention**

Detention will take place on Thursdays after school from 4:30 – 6:30 in the Dewey library. During this time, students will reflect on behaviors and plans will be developed to improve behaviors. Parents will be responsible for picking up their child while serving detention. Parents will be notified at least 48 hours in advance by phone and a letter will be sent home with the student. If a student fails to attend detention, an additional consequence will be given to the student, including in-school suspension.

## **Parent Shadow**

Parent shadow will require a primary parent/guardian (as listed in our Student Information System) to attend school with their child for part or all of the school day.

Parents will be notified at least 48 hours in advance by phone and letter if a parent is needed to shadow their child. During the parent shadow, the parent will observe their child without interrupting the classroom environment. All visitors' expectations apply. Prior to the conclusion of the day, the parent will meet with administration and the classroom teacher to discuss additional interventions to improve behaviors.

We want to minimize disruptions to the classroom environment and maximize student participation in the classroom. Both disciplinary actions minimize exclusion while addressing the challenges.

Students are responsible for following all expectations as outlined in the District Code of Conduct Book. In addition, the school will continue to utilize any disciplinary action outlined in the District Code of Conduct book.

## Dewey's Cell Phone Policy

**Dewey is not responsible for cell phones or other electronic devices brought to school. It is recommended that these devices remain at home. Cell phones, cameras, or other recording devices may not be utilized on school property unless the teacher or administration provides written permission.**

- ❖ **Parents may want their child to have a cell phone for emergencies at the bus stop or while their child is traveling to the bus stop. Parents will review Dewey's expectations for electronic devices and acknowledging receipt and understanding of the expectations.**
- ❖ **Students that choose to bring a cell phone must turn the phone off and always keep it in a secure location while on school property, including the bus.**
- ❖ **Students that utilize their electronic device on school property, including the bus, will be subject to disciplinary action. This includes making calls, sharing files or images, or recording other students or staff members. (*Students attending school that need to call a parent for emergencies, may use the office phone with permission.*)**
  - **First offense: warning and confiscation of the phone, to be stored in the office safe, until the conclusion of the school day. The phone will be returned to the student and the parent will be contacted by the classroom teacher.**

- **Second offense: confiscation of the phone, to be stored in the office safe, and parents will be responsible for retrieving the item. Parents will be contacted by the office administration.**
- **Third offense: confiscation of the phone or electronic device, to be stored in the office safe, the student will no longer be allowed to bring an electronic device to school and additional consequences may be given according to the District Code of Conduct Book. A parent will be responsible for retrieving the device from the office.**

**If a student continues to bring an electronic device to school after the third documented offense, the student will be given an additional consequence according to the District Code of Conduct Book. This consequence may include in-school suspension, detention, or loss of privileges.**

**If a student refuses to provide the electronic device to the staff member, the parent will be contacted, and the student will be given an additional consequence according to the District Code of Conduct Book. This consequence may include in-school suspension, detention, or loss of privileges.**

### **CLASSROOM CELEBRATIONS**

If you plan to bring snacks for a classroom celebration (reward/party/birthday/etc.), please be sure to bring enough items for each student in the classroom.

- Please contact the classroom teacher to notify them of your intent to drop off snacks at school. The teacher may request the items to be distributed at lunch time.
- All snacks must be store bought and individually wrapped.

## **SCHOOL BUS RULES**

- ❖ Riding the school bus is a privilege—not a right.
- ❖ Improper behavior may result in a student being removed from riding the bus either on a temporary or permanent basis.

Please be mindful that students should always be picked up from school by 4:17 p.m. There is no one to supervise children after this time.
