

Dear Parent/Guardian:

Your child may be eligible for affordable health insurance through the MO HealthNet for Kids (MHK), Missouri's Health Insurance Program. Now most families can get low-cost or free health insurance for their children.

Children with health insurance are more likely to receive needed vaccinations and receive treatment for illnesses. Without treatment, these illnesses can slow a child's learning and have lifelong effects.

If you currently receive MO HealthNet for Kids (formerly MC+ for Kids), it is not necessary to complete the attached application. Current participants can contact their local county Family Support Division office for questions regarding healthcare coverage.

If you are interested in applying for MHK, please complete the enclosed application and mail to:
