Dear Parents and Families,

We are excited about the 2020-2021 academic school year, and are eager to start *'higher learning'*! Parental participation is essential in maintaining our values and standards of excellence in educating our children. With this in mind, the district has placed a Family and Community Specialist (*F.C.S.*) in many schools. I am honored to serve in that position for Earl Nance, Sr. Elementary.

As we embark on the start of a new year, I understand that it looks and feels different. However, our new “norm” is yet embraced by the fact that our primary concern is the safety and education of our families.

As a line of communication, we will have monthly virtual parent meetings. These meetings will take place Every 2nd Wednesday of each month. I anticipate that many of you will join me and other staff as we will have discussions about school updates, important information as well as a time to ask questions and receive answers.

As we reach a time where we can meet in person, I look forward to meeting you, However, until that time please use any of the following avenues to contact me:

- Class Dojo
- Email: Shantelle.williams@slps.org
- Phone: 314-867-0634

I look forward to an exciting school year!

Respectfully,

Shantelle Williams-Green
Family and Community Specialist
