

SIOP TRAINING 2022-2023

SIOP (Sheltered Instruction Observation Protocol), an instructional approach for teaching content to English Language learners (ELs) in strategic ways while they develop their English language proficiency. The SIOP model makes content comprehensible for all students, in all grade levels, and at all proficiency levels by focusing on the instructional components that all students need for academic success:

- Lesson Preparation
- Building Background
- Comprehensible Input
- Strategies
- Interaction
- Practice/Application
- Lesson Delivery
- Review & Assessment
