

Gifted & Talented

Dear Gifted and Talented Families,

My name is Mrs. Bryant (formerly Ms. Anderson) and I will be your child's gifted and talented teacher. I am very excited to be at Stix Early Childhood Center. I will be at Stix ECC on Tuesdays, Thursdays, and every other Friday. I will engage your child in enrichment activities for a hour each of those days.

I have my Bachelor of Science in Early Childhood Education from UMSL and my Masters of Administration and Masters of Gifted Education from Lindenwood University. I have taught in St. Louis Public Schools for seventeen years.

I plan to engage your child in enrichment projects and activities using Project Construct and Problem Based Learning. I integrate children's literature and STEAM (science, technology, engineering, art and math) to ensure your advanced learner will experience a rich and challenging curriculum.

I look forward to getting to know you and your child. If you have any questions or concerns you may reach me by calling (314) 533-0874 or email: maye.anderson@slps.org. I am always happy to talk to the families of my students. We are going to have many amazing opportunities and experiences to learn and grow.

I look forward to meeting you in the days ahead!

Sincerely,

Mrs. Bryant

About Me

I live with my husband and three sons. We have two cats, a lizard and lots of fish. In my free time, I love to play with my sons (ages 9, 13 and 17), be outdoors, read and garden. I am so thrilled to work with this amazing group of students!

My Favorites

Food: Sushi
