

Deux pronoms dans la même phrase 185-86

1. It is possible to use both a direct and an indirect object pronoun in the same sentence. Study the following sentences.

Le serveur **me** donne **la carte**.
Il **nous** sert **la soupe**.

Il **me la** donne.
Il **nous la** sert.

2. To know which pronoun goes first, take a look at the caterpillar:

3. The double object pronouns, the same as a single pronoun, come directly before the verbs they are linked to. Study the following sentences.

Affirmatif	Négatif
Il me le donne. Il va me le donner. Il me l'a donné.	Il ne me le donne pas . Il ne va pas me le donner. Il ne me l'a pas donné.

Traduis:

She was selling him some.

I gave it to her.

He served it to us.

You passed it to me.

We can buy them for you.

They will show it to her.
