

SYNOPSIS OF THE QUARTER 2 SCHOOL PLAN

SCHOOL: Froebel Elementary School

PRINCIPAL: Jim Triplett, jim.triplett@slps.org

INSTRUCTIONAL PLAN: Five-day-a-week in-person instruction or virtual learning, based on parent/guardian selection. Live-streaming model of hybrid instruction. **Most children will keep the same teacher and the same class of kids. Some students will get a new teacher, and will definitely have new students in the class with them.** Your child will participate from the classroom either with the teacher or virtually with added support from a dedicated staff member assigned to that class. Your child will participate in the same work, whether they attend virtually or from the classroom with the teacher. Your child will actively participate in class through a two-way “live-stream” in Microsoft Teams, if attending virtually. For five days per week, your child’s work, applications, and times per day will be the same as all other classmates, whether they attend in person or virtually. Your child will have their related arts teacher come to their classroom. Your child will have recess with their classroom only, monitored by teacher or staff. Your child will receive any needed and approved supports and related services, where applicable.
