Dr. Angela Glass  
Principal

My name is Ms. Angela N. Johnson and I am the Family and Community Specialist at Mann Elementary. I would like to welcome you to Mann Elementary for the 2020-2021 school year. I have been here at Mann over 5 years in a variety of roles. I started as a building substitute teacher, later I transitioned into the role of Preschool Teacher Assistant (TA) and in 2019 I became the Family and Community Specialist (FCS). I am a graduate of Roosevelt High (SLPS) and University of Missouri-St. Louis (UMSL). I have a BA in Social Work. I am a mother of three, one of which is a fifth grader here at Mann.

My goal for the 2020-2021 school year is to assist parents and families with concerns and issues that may arise as we work together to educate through this school year. I will use the six "Keys to Successful Partnerships" to assist and guide me through helping our parents and engaging our community partners. I will continue to assist The Little Bit Foundation in providing resources to our students and their families. All suggestions and questions are always welcome and encouraged. I have an open door policy for our parents and families. My office is located in the library.

My contact information:

FCS	Ms. Angela Johnson
Phone#	(314)772-4545-ext.34236
Email address	<a href="mailto:Angela.johnson@slps.org">Angela.johnson@slps.org</a>

I am looking forward to working with you this year

*Angela N. Johnson*
