WELCOME

My name is Ms. King and I am the Reading Interventionist at Lexington Elementary School. I am genuinely excited and looking forward to working with the scholars in grade 3-5 this school year. It is my belief that that every scholar can learn and master a challenging curriculum when they are given the appropriate accommodations. My mission this school year is to assist each scholar academically by modeling multiple reading strategies and giving them the proper tools to be successful in a classroom setting.

ABOUT ME!

This is my 8th year at Lexington Elementary School. I attended the University of Missouri-Saint Louis and have my masters in Elementary Education with an emphasis in reading. I also have a Reading Specialist K-12 certification. I have four children. I love to travel, shop, and enjoy reading a good book.
