

Meet the **TEACHER**

Mrs. Wideman

It is with great enthusiasm and excitement that I formally introduce myself to you as the Literacy Instructional Support Teacher for 2023-2024 school year. This year marks the beginning of my twelfth year at Peabody Elementary. I am eager to work the students in Kindergarten, 1st, and 2nd grade. My primary goal is to help your child acquire the necessary skills to become a proficient reader and writer through interventions in both small group and individualized settings. I strive to create a nurturing, motivational, and stimulating learning environment to help children achieve their potential and enable them to have greater self-sufficiency when working in the classroom setting. In this joint effort, I will be collaborating with you and your child's teacher to create appropriate instruction while monitoring your child's progress. You are a very important part of this journey. If you have specific needs or questions regarding your child's progress, I encourage you to contact me.
