

Summer Learning

Supports Goal 3: **All students read to lead and succeed.**

- ★ By the end of 2018, 80% of 3rd graders will be reading on grade level.
- ★ By the end of each school year, 85% of students will demonstrate a minimum of one year's growth in reading.

Recent Achievements

- Identified sites for Summer Learning 2017
- Confirmed Summer Learning dates
- Surveyed teachers for feedback on duration of summer programming

Key Items In Progress

- Creating draft summer programming overview
- Developing Summer Learning communication plan
- Collaborating with academic department to identify student outcomes
