General Information

Kid on Campus is an enrichment camp offered by the Office of Continuing Education of St. Louis Community College for children who have completed kindergarten through eighth grade.

These camps are offered on the Wildwood and Florissant Valley campuses and are designed to give children the opportunity to explore areas of interest they might not get in school. With classes like Art Explosion, Sensory Science, Digital E-magination Technology Camp, **Crafting Your Mind w/ Minecraft** and Math-a-Magic, there is something for everyone.

Create your own camp experience! Kids on Campus allows campers to pick the classes they wish to attend for the week. It's simple! Camps are in half-day formats and kids can go all day and explore one topic in the morning and another in the afternoon.

Where and when is the camp?

Kids on Campus-Florissant Valley	Kids on Campus-Wildwood
June 16 - 20 and June 23 - 27	August 4 - 8
Florissant Valley Campus 3400 Pershall Rd. Ferguson, MO 63135	Wildwood Campus 2645 Generations Drive Wildwood, MO 63040

How long is camp?

Kids on Campus-Florissant Valley and Kids on Campus-Wildwood Camp is offered in half-day morning and half-day afternoon formats.

Florissant Valley		Wildwood	
Morning	Afternoon	Morning	Afternoon
9 a.m. - 12 noon	12:30 p.m. - 3:30 p.m.	9 a.m. - 12 noon	12:30 p.m. - 3:30 p.m.

How much does camp cost?

Camp classes range from $89 to $99 per half-day session. Prices for individual topics are listed for each campus class offering. All materials are included. In addition, each child in the program will receive a "Kids on Campus" T-shirt. Please indicate preferred size on the enrollment form.

Is lunch included?

Lunch is not included. Full Day campers must bring their own sack lunch.

- *For both Wildwood and Florissant Valley,* there will be a structured 30-minute lunch break from 12 p.m.-12:30 p.m. (between morning and afternoon sessions).

Students will be required to carry their lunches with them throughout the day. Students are encouraged to bring drinks. While there are several vending machines located throughout the campus, the cafeteria will be closed and there might not be time to get drinks.

What if I need to withdraw my child? Will I receive a refund?

Campers who register and must later withdraw must do so in writing and any refund given will be based upon the date of receipt of written withdrawal by the Continuing Education office.

Florissant Valley	Wildwood
Due to the special nature of the week-long camps NO REFUNDS WILL BE ISSUED ONE WEEK PRIOR TO THE CLASS START DATE (Week 1: June 9; Week 2: June 16). Requests for withdrawals (including the reason) must be submitted in writing to the Continuing Education office. Requests may be faxed to 314-984-7960 or brought to any STLCC campus.	You will receive a refund if the withdrawal is on or before July 7. Because of the special nature of this program, full refunds will be permitted through July 7, 2014.
No refunds will be permitted after these dates, unless the college has canceled a class.	

Safety and program guidelines for youth classes

All children under the age of 16, who are enrolled in programs through the St. Louis Community College Continuing Education office, must be accompanied to and signed-in at the beginning of each program session by a responsible party. In addition, a responsible party must also meet the participant at the end of the session and sign them out.

Appropriate behavior is expected. Students may be disenrolled for misbehavior.

Outside work may be required for some courses. Courses are not applicable toward degrees and certificates offered by the college. If you have questions, please call the Continuing Education office at 314-984-7777.

CAMP 723 800, June 23-27, 12:30-3:30pm, Room TBD, (Grades K-3)
Mind read the number a spectator is thinking! Instantly add a column of 4-digit numbers! Make balls travel mysteriously from one hand to another. Vanish a rabbit (a paper one)! Show how Harry Potter slips through a secret opening in a brick wall! Learn new magic tricks each day and get your own magic case and new props to put in at each class. You may well get a nightly show! The tricks are math-based. So while students develop their presentation skills as they enjoy learning magic, they are also sharpening skills in addition, subtraction, measurement, counting, even/odd, and geometric shape recognition. The class concludes with students putting on a math-a-magic show for their families.
